

BOSCH

MEASURING TOOLS

MT Product by Trade

Quick Ref

- Concrete
- MEP, HVAC
- Drywall, Framing, Rough Install
- Maintenance, Repair, Operations

CONCRETE APPLICATION GUIDE

BEST TOOLS FOR THE JOB

ALIGN / LEVEL

Point Lasers

- Square layout for forms
- Squaring foundations

GPL100-30G

GPL100-50G

Line Lasers

- Foundations, footings, concrete walls and framings
- Patios & decks (piers)
- Validate square and plumb

GLL40-20G

GLL-330CG

GLL-330C

Rotary Lasers

- Drainage
- Laying parking lots
- Foundations / footings / concrete walls / framings
- ADA ramps / sidewalks
- Leveling floors
- Patios & decks (piers)
- Validate square and plumb
- Tilt up construction
- Pipe Laying

GRL2000-40HVK

GRL2000-40HK

GRL4000-80CHK

GRL4000-80CHVK

MEASURE

GLM165-27CGL

GLM165-40

GLM 400CL

GIM60

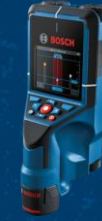

GIM120

Smart Levels

- Site preparation
- ADA ramps – sidewalk ramp
- Concrete material estimation
- Concrete restoration - measuring parking garage cracks

DETECTION & THERMAL CAMERA

D-TECT200C

D-TECT 150

GMS120

GTC400C

- Finding Rebar in Concrete
- Detecting pipe through floors
- Alerts to Live-Wire

Thermal Camera for Hot & Cold Spots

MECHANICAL, ELECTRIC, PLUMBING, HVAC APPLICATION GUIDE

BEST MEASURING AND LAYOUT TOOLS FOR THE JOB

ALIGN / LEVEL

Point Lasers

- Transferring points from floor to ceiling for can lights, sprinklers, running ceiling anchors
- Layout on floor and transfer to ceiling
- Coring pipe through multiple floors
- Installing elevator shafts

GPL100-30G

GPL100-50G

Line Lasers

- Aligning, staking out, and installing electrical outlets
- Transferring points from floor to ceiling for can lights, sprinklers, running ceiling anchors
- Layout on floor and transfer to ceiling.
- HVAC -aligning level and sloped pipes for venting

GCL100-80C

GCL100-80CG

GLL3-330CG

Rotary Lasers

- Laying pipe underground for draining
- Plumbers - Installing floor drains
- Aligning, staking out, and installing electrical outlets
- HVAC - aligning level and sloped pipes for venting

GRL900-20HVK

GRL2000-40HVK

MEASURE

GLM165-40

GLM165-25G

GLM165-27C

GLM165-27CGL

- Measuring area to lay outlets and can lights
- Measuring pipes/materials

DETECTION & THERMAL CAMERA

D-TECT 200C

D-TECT 150

GMS120

GTC400C

- Finding Rebar in Concrete
- Detecting pipe through floors
- Alerts to Live-Wire

Thermal Camera for Hot & Cold Spots

DRYWALL, FRAMERS, AND CEILING INSTALLERS APPLICATION GUIDE

BEST MEASURING AND LAYOUT TOOLS FOR THE JOB

ALIGN / LEVEL

Point Lasers

- Square layout
- Constructing steel stud walls
- Installing walls, door and window frames
- Building curved structures

GPL100-30G

GPL100-50G

Line Lasers

- Suspended or dropped ceiling layout
- Square layout
- Constructing steel stud walls
- Installing walls, door and window frames
- Establishing benchmarks

GCL100-80C

GCL100-80CG

GLL3-330CG

Rotary Lasers

- Suspended or dropped ceiling layout
- Square layout
- Constructing demising walls
- Constructing steel stud walls
- Installing walls, door and window frames

GRL900-20HVK

GRL2000-40HVK

MEASURE

GLM 165-40C

GLM165-25G

GLM165-27C

GLM165-27CGL

GLM400CL

- Square layout
- Installing walls, door and window frames
- Estimating materials
- Demising walls stud length

DETECTION & THERMAL CAMERA

D-TECT 200C

D-TECT 150

GMS120

GTC400C

- Finding Rebar in Concrete
- Detecting pipe through floors
- Alerts to Live-Wire

Thermal Camera
for Hot & Cold
Spots

REMODELING/RESIDENTIAL CONSTRUCTION APPLICATION GUIDE

BEST TOOLS FOR THE JOB

ALIGN / LEVEL

Point Lasers

- Square layout
- Constructing steel stud walls
- Installing walls, door and window frames
- Building curved structures

GPL100-30G

GPL100-50G

Line Lasers

- Installing cabinets and shelves
- Aligning and installing wall tile
- Leveling appliances, counters, cabinets, vanities
- Electrical applications
- Chair rail / crown molding
- Building staircase rails
- Laying out floor tiles
- Wainscoting, cartouche

GLL100-40G
